

This all started long before you walked in.

Before your arrival here, rich soil was turned. Produce was nurtured, grown and harvested. Local farmers tended to their pastoral landscapes and livestock.

Fish plucked from the briny depths arrived this very morning.

All in preparation for you to walk through our doors. Yes, this is the essence of Hinterland; a celebration of farm-to-table mingled with some of the finest craft beers in Wisconsin. Dimly lit and cozy.

Glad to have you, what are you in the mood for?

Cheers.
