TAP & TABLE CULINARY ADVENTURES EXPERTLY PAIRED WITH CRAFT BEER

Dinner #3
FEB. 29
2016

3 of 4 IN A SERIES OF COLLABORATIVE DINING EVENTS

Take Green Bay's most visionary chefs, sprinkle in a handful of the area's boldest craft brewmasters, and what do you get? Tap & Table, an exceptional four-part, multi-course journey into food and beer pairings unlike any you've ever attended. Our chefs go deep, preparing nuanced, one-of-a-kind cuisine, and then partnering it with a local craft beer chosen for its complementing characteristics. It's an adventure in taste that takes the palate by delightful surprise.
